MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT : Inspector General's Survey of NPIC

REFERENCES : a. IG Report of NPIC dated 18 June 1965
b. DDCI memorandum for DDI dated 23 June 1965

1. Attached are the consolidated comments of Director, NPIC, and the DDI on the recommendations of the IG's report.

2. As indicated, we are implementing or are prepared to implement most of the recommendations.

3. Two recommendations, however, address matters of such import, and which involve the Community, that further study must be undertaken before we can expect solutions which will best serve the DCI.

4. One of these is the proposal to create a USIB committee on exploitation (recommendation #1); the other the formalization of a separate T/O for the CIA Detachment and the use of this group as a source for keeping NPIC itself up to strength (recommendations #16 and #17).

5. I am initiating studies by concerned parties on both of these questions and hope to forward definitive recommendations within the next few weeks. We will, of course, counsel with the Inspector General in developing our proposals.
